

WRITERS GUILD HAS 'CANTERBURY SOPER'

News Writer Calls It a Banquet Sans Linen, Silverware and China.

OLD TALES PICTURED

Writers Act, Tell Their Experiences and Dance at Annual Meeting.

It remained for the Missouri Writers Guild to stage a unique dinner for its annual banquet at the Missouri Union Building last night. Formality was conspicuous by its absence at the "Canterbury Soper", which was sans linen, silverware and sans china.

Each guest found his place by an envelope containing a list of songs arranged for the occasion, which were sung between courses at the dinner. After the guests had been seated, Miss Virginia Wood, dressed as a Canterbury Pilgrim, read from the Nun's Tale of the Canterbury Tales. As reference was made to the several characters, they appeared before the diners and portrayed the characters.

Egyptian Soiree Appears.

Hardly had the dinner been started when Miss Laura Schmitz of Chillicothe, representing an Egyptian Soiree, demanded entrance. Claiming to be possessed of knowledge desired by the guests, she proved her right to be admitted to the dinner by making certain interesting prophecies. Lee Shippey, retiring president of the Guild, decided that the visitor from the "Far East" should enter and partake of the food. Later he asked the visitor what her pleasure might be in the way of entertainment to repay her for her long journey. She requested that "Fatty Lewis" tell a story and that John Breckenridge Ellis sing a song. Both requests were complied with.

The menu was novel and the absence of silverware did much to put both the Guilders and their guests on an equal footing. Everyone sang the improvised songs and, considering that there had been no rehearsals, the dinner went with a snap from beginning to end.

Novelty Check for Each Guest.

After dinner the guests adjourned to the main floor of the building and each was allowed to pursue his own quest for pleasure. A few danced, real writers told the beginners of their experiences, old friendships were renewed and new ones formed.

At the conclusion each guest was presented with a check for one million smiles drawn on the Sunshine Bank, founded by "Fatty Lewis."

The dinner was a fitting climax to a very successful program of the Missouri Writers Guild.

SPORT

The Tigers continue to hit the ball as the season progresses and have not given any indications of bogging in their hitting form up to date. According to the averages issued by C. L. Brewer, director of athletics, the Missouri aggregation has a team average of .275 for the season. "King" Dippold is leading the club in swatting the offerings of the opposing moundsmen with an average of .432. Farmer and Lansing are his close trailers.

Slusher continues to lead the club in taking advantage of a pitcher's control. He has accumulated 11 walks, while Captain McMillan closely follows with 8. "Mike" Giltner holds the distinction of leading his teammates in the number of sacrifice hits with 7 to his credit.

Only 10 Runs Scored on Tigers in 15 Games.

The Tiger twirling staff has held its opponents to forty runs and 100 hits in fifteen games. Stemmons has pitched and won eight games, and Giltner, the Tiger southpaw, has five victories to his credit. Both of these twirlers have gained a shut-out, but Morgan and Keeling have not been that fortunate this season.

WHITE WAY EXTENSION BEGINS

Trees on South Eighth Street Are Torn Out—Conduits Placed.

Workmen were engaged today in tearing out the trees along South Eighth street in preparation for the installation of the new standards which will extend the "white way" to the entrance of the West Campus. A new sidewalk will replace the old brick walks along this street, and the city will not put up the standards until this work is completed. It is estimated that it will be three weeks before it is done. The conduits with the wires for the new lights have already been placed.

ORDER OF PUBLICATION

State of Missouri } ss.
County of Boone }

In the Circuit Court, April Term, 1917.

Vergie Ritter, Plaintiff,
against
George O. Ritter, Defendant.

The State of Missouri, to the above named defendant,

GREETING:—Now on this 25th day of April, 1917, in session of term time of the Circuit Court of Boone County, Missouri at the April Term, 1917, of said court, comes the plaintiff, by her attorney, and files her petition in suit herein, duly certified by the affidavit of the plaintiff, and in said petition states, among other things, that the defendant is a non-resident of this state, so that the ordinary process of law cannot be served upon him. It is therefore ordered by the court that the defendant be notified by publication that the plaintiff, by petition herein filed, of date April 25th, 1917, has commenced against him, in the circuit court of Boone County, Missouri, an action for the purpose of obtaining a decree of divorce from the defendant on the grounds of desertion and abandonment and of indignities which are set forth in the petition.

It is further ordered that said defendant be and appear in this court, on the first day of the next term thereof, to be held at the court house in the city of Columbia, Boone County, Missouri, on Monday, June 18th, 1917, to answer or plead to said petition, or in default thereof, will be taken as confessed, and judgment by default will be rendered against him, in accordance with the prayer of plaintiff's petition.

It is further ordered that a copy hereof be duly published at least once a week for four weeks successively, in the Daily Missouriian newspaper printed, published and circulated in said Boone County, and designated by plaintiff's attorney as being most likely to give notice to said defendant; the last insertion of said order of publication in said newspaper to be at least fifteen days before the first day of said next term of said court.

A true copy from the record of the circuit court of Boone County, Missouri, and the seal of said court. Done at office in Columbia, Missouri, this 25th day of April, 1917.

ORDER OF PUBLICATION

State of Missouri } ss.
County of Boone }

In the Circuit Court, in Vacation hereof, June Term, 1917.

Elsus B. Taylor, Plaintiff

against
The unknown heirs, devisees, consorts and allies of Walter Coles, deceased; the unknown heirs, devisees, consorts and allies of Sallie W. Taylor, deceased; the unknown heirs, devisees, consorts and allies of David Prowell, deceased; and the unknown heirs, devisees, consorts and allies of James R. Hume, deceased, Defendants.

THE STATE OF MISSOURI, to the above named unknown defendants,

GREETING:—

Now on the 25th day of April, 1917, in vacation before the June Term, 1917, of the Circuit Court of Boone County, Missouri, comes the plaintiff herein, by his attorneys, and files his petition in suit herein, duly verified by the affidavit of Ralph T. Finley, agent and attorney for the plaintiff and in said petition states that he verily believes that there are persons interested in, or who claim to be interested in, the subject matter of his petition as heirs, devisees, consorts and allies of said Walter Coles, deceased, of said Sallie W. Taylor, deceased, of said David Prowell, deceased, and of said James R. Hume, deceased, respectively, whose names and places of residence are to the plaintiff unknown and whose names he cannot insert in said petition because they are unknown to him; that said unknown defendants derive or claim to derive their title or claims to the real estate hereinafter described as heirs, devisees, consorts, donees, allies or immediate, remote, voluntary or involuntary grantees of said Walter Coles, deceased, of said Sallie W. Taylor, deceased, of said David Prowell, deceased, and of said James R. Hume, deceased, respectively. And plaintiff further states in said

petition that the claims and interests of the defendants, so far as he is able to ascertain and knows, are derived from and made apparent by the following facts and defects in the record title to said real estate, to-wit:

That Walter Coles acquired title to that part of the plaintiff's real estate described as lying in the Southwest quarter of Section 28, Township 50, Range 13, by patent from the United States of America, dated August 25, 1824, but there is no deed or other conveyance of record from the said Walter Coles, nor from any other person or persons for him, so far as the records of Boone County, Missouri, show.

That one Sallie W. Taylor claimed to own that part of plaintiff's land lying in said Southwest quarter of said Section 28, Township 50, Range 13, by patent from the United States of America, dated August 25, 1824, but there is no deed or other conveyance of record from the said Sallie W. Taylor, nor from any other person or persons for her, so far as the records of Boone County, Missouri, show.

That James R. Hume is named as the grantee in a certain tax deed dated November 9, 1896, recorded in Tax Book 1 at Page 101 of said deed records by which it was sought to convey to him that portion of plaintiff's land lying in the Northwest quarter of the Southwest quarter of Section 28; that said tax deed is void and irregular because not made in pursuance of the statutes in such cases made and provided and said Hume never went into possession of said land.

That David Prowell acquired title to that part of plaintiff's land lying in the Southwest quarter of Section 28 by deed dated September 12, 1830, recorded in Book 29 at Page 402 of said deed records; that said David Prowell on November 10, 1874, by deed recorded in Book 51 at Page 10 of said deed records undertook to sell and convey said land to David Prowell, Jr., under whom the plaintiff claims title, but the description of that part of said land lying in the Southwest quarter of Section 28 is indefinite and uncertain.

And plaintiff further states in said petition that the said Walter Coles, Sallie W. Taylor, David Prowell and James R. Hume are all long since deceased, but whether they or any of them died testate or intestate is to the plaintiff unknown; that he has described the interests of all said unknown defendants, and how derived, so far as his knowledge extends.

It is therefore ordered by the clerk of said court, in vacation, that the said unknown defendants be notified by publication that the plaintiff by petition herein filed of date April 25, 1917, has commenced against them, in the Circuit Court of

Boone County, Missouri, an action for the purpose of trying, determining, settling, defining and quieting the title to the following described real estate, lying, being and situated in Boone County, Missouri, to-wit: 67.14 acres, a part of the South half of Section 28, in Township 50, of Range 13, described as follows:—Beginning at point 8.47 chains North of the half-mile corner on the South side of said Section, thence South 89 degrees West 27 chains to the center of Reeder Creek, thence North 7 1/2 degrees East 4.50 chains, thence North 76 degrees West 4.50 chains, thence North 2 degrees West 3.30 chains, thence North 32 degrees and 30 minutes East 1.20 chains, thence North 79 degrees East 5.42 chains, thence North 57 degrees East 6 chains, thence North 14 degrees East 30 minutes West 2.05 chains, thence North 43 degrees East 1.64 chains, thence North 23 degrees 30 minutes East 6 chains, thence North 57 degrees East 2.50 chains, thence North 60 degrees 30 minutes East 2.28 chains, thence North 82 degrees 30 minutes East 3 chains, thence North 58 degrees East 2.56 chains, thence North 73 degrees East 4.98 chains, thence North 57 degrees East 5.04 chains, to the center of Section 28, thence East 4 chains to the center of the road, thence South 14 degrees 30 minutes West 5.20 chains, thence South 21 degrees West 7.96 chains, thence South 27 1/2 degrees to the beginning; and by which said action plaintiff seeks to forever bar and preclude the said defendants and each of them, from setting up any interest or claim in or to said real estate adversely to the plaintiff.

It is further ordered that said unknown defendants be and appear in this court on the first day of the next term thereof, to be held at the Court House in the City of Columbia, Boone County, Missouri, on Monday, June 18th, 1917, to answer or plead to said petition, or in default thereof said petition will be taken as confessed and judgment will be rendered against them, in accordance with the prayer of plaintiff's petition.

It is further ordered that a copy hereof be duly published at least once a week for four weeks successively in the Daily Missouriian newspaper printed, published and circulated in Boone County, Missouri, and designated by plaintiff's attorneys as most likely to give notice to said defendants; the last insertion of said order of publication in said newspaper to be at least fifteen days before the first day of said next term of court.

A true copy from the record:

WITNESS my hand as Clerk of the Circuit Court of Boone County, Missouri, and the seal of said court, done at office in Columbia, Missouri, this 25th day of April, 1917.
